

Energy Solutions

Business & Industry

## **FREE WORKSHOPS ON FINDING PROJECT MONEY EDGEWATER INN !!!!**

We invite you to a few fun short workshops on energy efficiency programs that are available to you through Avista, Pacific Power, Energy Trust, Oregon Department of Energy, and the IRS. Whether you are replacing an existing energy consuming appliance, remodeling a home or business, or building a new structure there is financially valuable information for every project. Each session is free of charge and open at the end for questions. There will be information available on where to find and how to obtain cash incentives and tax credits on qualified changes or upgrades. The instructors are long time professionals in their industry and bring applied knowledge to each workshop.

**Workshops are informational only—no products or services sold!**

**Wednesday, January 12, 2011, 6:00-7:00 p.m.**

**“Retrofit Programs Available to You Through the Energy Trust”**

*Were you aware that every time you pay a power bill 3% is set aside in a public purpose accumulative account that equals \$56-60 million dollars a year? Come to this workshop to find out about how you can use that money to help pay for your next energy efficiency project. We will also cover the MOBES weatherization program for mobile homes—sometimes 100% free to the mobile home owner.*

**Wednesday, January 19, 2011, 6:00-7:00 p.m.**

**“Avista’s Future Plans for Shady Cove; Residential/Commercial Cash Incentives”**

*Matt with Avista Utilities will talk about plans for natural gas service throughout the City of Shady Cove. Debby will present information on how to obtain cash incentives for high efficiency natural gas equipment and weatherization for homeowners and businesses. Obtain information pertaining to your current or future projects.*

**Wednesday, January 26, 2011, 6:00-7:00 p.m.**

**“Master Your Understanding on Incentives, Rebates, Tax Credits & More”**

*Learn about the incentives and tax credits that are available to you from many sources to help you offset the costs of implementing your conservation projects—you can double dip! We will cover how to apply for these incentives and tax credits, and how to calculate your return on investment. Understand how to estimate the energy savings you can expect to receive from implementing a particular project. Class will be geared toward residential and commercial customers.*

All classes are being held in the conference room at:

Edgewater Inn  
7800 Rogue River Drive  
Shady Cove, OR 97539.
